

Salt Lake City 2002 Olympic and Paralympic Games

Sport/Events

- Environmental Consulting
- Transportation

Client

Salt Lake City Organizing Committee

Location

Salt Lake City, Utah, United States

CH2M HILL was retained to assess the Salt Lake City Organizing Committee's performance in accomplishing the objectives outlined in the committee's 12-point Environmental Platform.

We also led design of the University Light Rail Line that transported commuters to the stadium where opening and closing ceremonies took place. This design-build project

was completed nearly a year before the contractual completion date. CH2M HILL also provided the radiological response team during the Games.
