

Thomas G. Searle, PE, BCEE, DBIA

President and Group Chief Executive International

Mr. Thomas G. Searle is President and Group Chief Executive of CH2M HILL International and serves on the CH2M HILL Board of Directors' Strategic Planning Group. He is experienced in markets around the globe, including overseeing extensive international work in his prior role as President of the Water Business Group.

Since joining CH2M HILL in 1977, he has served as an executive and board member, program manager, project manager, engineer, and construction manager for water, wastewater, and public works projects.

During his career, Mr. Searle has worked on projects for the Public Utilities Board of Singapore; the United States Agency for International Development; the Puerto Rico Infrastructure Financing Authority; and municipalities throughout the United States.

Education

Mr. Searle received bachelor's and master's degrees in civil engineering from Marquette University and is registered as a Professional Engineer in Wisconsin, Florida, New Jersey, and Mississippi.

Affiliations

He is a member of the National Society of Professional Engineers, American Society of Civil Engineers, Water Environment Federation, Water Environment Federation – International Practice Committee CO-Chair, American Water Works Association, Society of Hispanic Engineers, Colorado Society of Hispanic Professional Engineers & Scientists, Florida Engineering Society, International Desalination Association, American Academy of Environmental Engineers, and Design-Build Institute of America.

Mr. Searle is a Board Certified Environmental Engineer, a Designated Design-Build Professional™ and a 2006 recipient of the HENAAC Executive Excellence Award.

Mr. Searle is responsible for the development, project performance, and risk management of CH2M HILL's international portfolio.

About CH2M HILL

Headquartered in Denver, Colorado, USA, employee-owned CH2M HILL is a global leader in engineering, construction, operations, and related technical services for public and private clients.
